<p>oluprof Swiftsystems Limited has suspended SERVICES with Web Weavers due to the resignation of Darrell Williams, the CEO; and subsequent sale of the company to Web Host Plus.</p> <p>oluprof Swiftsystems Limited</p>	<p>Technology, for self-reliance.</p> <p>As technology touches more and more areas of society, knowledge is rapidly becoming the most valuable currency. The volume of knowledge can be nearly overwhelming. Today's knowledge and skills may be obsolete tomorrow. Individuals are compelled to live and interact with information systems and resources. The ability to effectively use those resources and systems is termed information literacy. That has become an essential skill.</p> <p>You can always rely on us for the provision of...</p>	<p>eBOS - i Server®</p> <p>eBOS - i Server®, is a software solution designed to manage all the critical accounting/financial management features ; human resources management; seamless database management system; and all functionality you need. It is a complete ERP system that will meet almost all your needs and budget.</p> <p>Read more</p> <hr/> <p>OUR DATA CENTRE</p>
